

Indeck Energy Announces Wood Pellet Giveaway Winners

LADYSMITH, WI--(November 22, 2011) - Indeck Energy Services, Inc. and its subsidiary Indeck Ladysmith, LLC are helping consumers and retailers by giving away one free ton of Indeck Energy Premium Wood Pellets each Tuesday until January 31.

The contest's first two winners are Bill Chevalier of Calumet, Mich. and Audrey Springstroh of Clintonville, Wis.

"During this season, it is our hope that consumers and retailers are able to experience heating with Indeck Energy Premium Wood Pellets," said Mike Curci, Retail Sales Consultant and Business Development Manager, Indeck Energy. "But our real goal is to lessen the burden of home heating costs on consumers."

Indeck Energy Premium Wood Pellets, manufactured from locally grown Wisconsin hardwood, have a high BTU value, are low in ash and have a low moisture content.

There is still time to enter Indeck Energy's Premium Wood Pellet Giveaway. Official entry information is available at select wood pellet retailers who carry Indeck Energy Premium Wood Pellets and online at www.WinAFreeTonOfPellets.com.

Winners will be notified by a representative from Indeck Energy immediately following each week's drawing.

To locate an Indeck Energy Premium Wood Pellet retailer or to become a retailer, please visit www.IndeckPellets.com.

###

The Indeck Ladysmith BioFuel Center is owned by Indeck Ladysmith, LLC, a subsidiary of Indeck Energy Services, Inc. Indeck Energy Services is a privately held developer, owner and operator of renewable and conventional energy projects. As one of the few remaining privately held independent energy producers, it has grown into a full-service energy company that offers biofuel production and electrical generation facilities. The company was established in 1985 and is headquartered in Buffalo Grove, IL.
